Online

Driving License

● Class B

## Volunteer work

### **PAINTING THE WALLS OF A LOCAL ORPHANAGE**

**Deloitte | November 2022**

In November 2022, I participated in a Deloitte-organized volunteer action where we painted an orphanage's walls. Working with colleagues from various departments, we successfully created a brighter and more comfortable living space for the children. This experience allowed me to contribute positively to the community and develop my teamwork skills.
